REPORT OF THE BOARD OF EDUCATION

To the Citizens of Dalton:

The school board herewith submits its annual report. The report includes the treasurer's report for the fiscal year July 1, 1949 to June 30, 1950 with a statement of expenditures; budgets and estimated receipts for the present school year and for the next school year, and a written report by the superintendent of schools.

The budget for this coming year is only slightly higher than for the present year. The major cause of the increase is due to an increase in the district's contribution for teacher retirement. We can anticipate about the same amount of state-aid this coming year if the new law does not pass. Should the new proposal before the legislature pass, we can expect a sizable increase in aid. It is necessary, therefore, that the school board ask for an appropriation of \$24,455.25.

WILLIAM E. BOYLE,
CLARIBEL C. BLAKSLEE,
ROBERT A. BRESNAHAN,
School Board of Dalton.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books and other financial records of the School Board of Dalton, of which this is a true summary for the fiscal year ending June 30, 1950, and find them correctly cast and properly vouched.

(Signed) EDITH B. SWITSER.

Auditor.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Dalton:

It is with pleasure that I submit my annual report relative to your schools.

There was one change in the faculty in the school this past year. Mrs. Elizabeth Tyburcy was elected to teach the fifth and sixth grades to replace Miss Hilda Boyle who resigned to get married.

The enrollment this year in the six grades is 76. There are five Dalton pupils in the lower six grades in Whitefield School. Twenty-three pupils are registered in Grades VII and VIII in Whitefield and twenty-five in the high school.

The report of the school nurse for this past year shows that all children were examined and any defects found were reported to parents. A tuberculosis clinic was held in May in Whitefield with Dr. Kerr of Manchester examining pupils. The Patch Test was given to all first grade pupils with no reactions. Seven pupils had vision defects and seven were corrected. No hearing defects were found. Dental clinics were started in the Spring and have been continued this year. Money raised locally is matched by money from the state. An immunization clinic was held in May at which time pupils could be inoculated against diphtheria, whooping cough and tetanus. Mrs. Colby is to be commended for the splendid job she is doing as school nurse.

ANNUAL REPORT

The new windows, window shades and pupil desks in the primary room have been a big help in improving the conditions in those grades.

The tuition rate in the Whitefield schools is to remain the same as it was this past year. Dalton is now paying \$175.00 for each high school pupil in attendance, and \$125.00 for each pupil in the elementary grades. The list of tuition pupils as well as the statistical report will be found following this report.

The State Aid Equalization Bill submitted to the legislature for its consideration is designed to assist needy school districts. Should this bill pass as it has been presented, Dalton should receive over twice as much aid as it is now receiving.

In closing, I wish to express my sincere appreciation to the citizens of Dalton, the school board, the teaching staff and other district officers and employees for their cooperation during the past year.

Respectfully submitted,
LESLIE S. CUMMINGS,
Superintendent.
